Mission Team Service Project Form

In order for our Service Program Coordinator to find the best projects for your team, we need to know more about your group and the work you would like to do while here in New Orleans. Please take some time to discuss with your group the various types of service work we can offer. Then, please rank your top three choices in the space provided. We cannot guarantee your service choices but we will try to accommodate them as best we can. If you have any questions or concerns, please call or email us.
